# 1. Central Roster Dashboard & Careers Directory

Aether PTS connects public-facing recruiting boards with internal personnel rosters, providing high-visibility portals for your community.

- **Roster Search:** Roster dynamically groups employees by rank levels (high command, supervisors, officers) with live status badges.
- **Careers Landing Directory:** Public portal displaying all organization divisions (e.g. SAHP, LSPD) along with logo headers, personnel counts, and open positions count.

## 2. Department Portals & Comprehensive Roster Folders

Detailed department directories show command hierarchy next to individual employee files housing service times and career histories.

- **Command & Rank Ladders:** Department details page lists Commanding Officers and 2nd-in-Charge next to active openings and rank listings.
- **Officer Profiles & Ribbon Racks:** Career folders automatically compute service time to the day, showing award timelines, ribbon gradients, and qualifications racks.

### 3. Career Openings Manager & Job Applications Inbox

Control your agency's recruitment pipeline from a single administrative console.

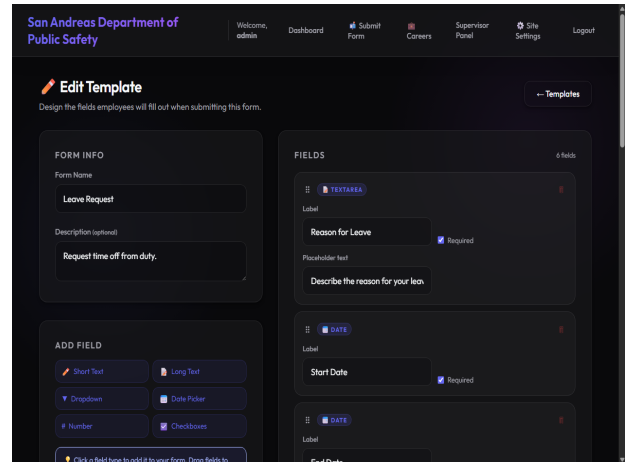

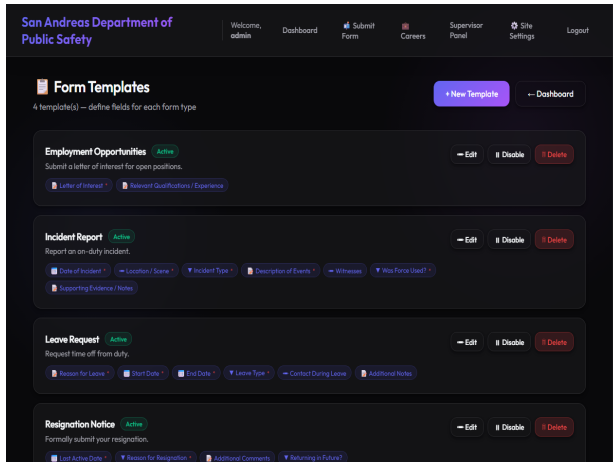

- **Openings Manager:** Create and configure career advertisements with deadline dates and designated inquiry contacts scoped by department.
- **Applications Inbox:** Review candidate submissions, manage application statuses, and track contact inquiries in real-time.

## 4. Dynamic Form Templates List & Form Builder Canvas

Design custom forms directly within the application using an interactive visual drag-and-drop template builder.

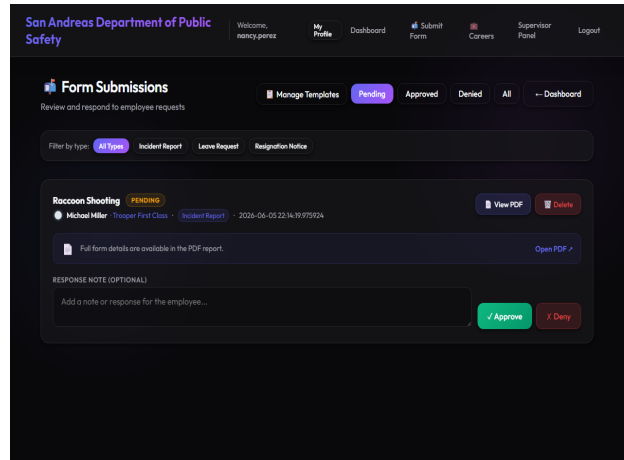

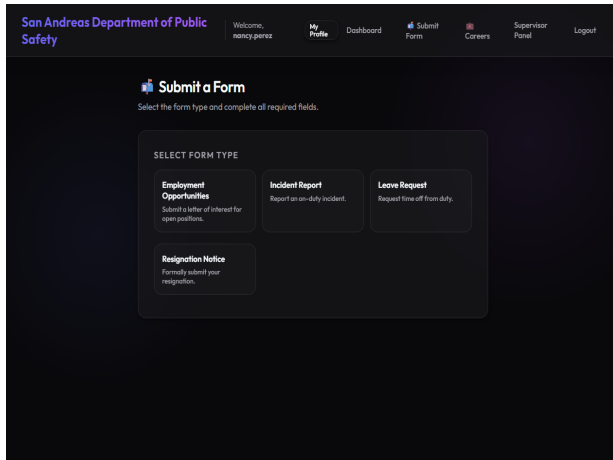

- **Templates Manager:** Toggle and manage templates like Leave Requests, Incident Reports, or custom surveys.
- **Visual Form Creator:** Add custom input fields (short text, long text, dropdowns, check boxes, dates) with a live builder canvas.

## 5. Officer Form Submissions & Supervisor Review Inbox

Replace cluttered doc folders with structured form submission pages and built-in approval workflows.

- **Submission Portal:** Forms render clean input fields dynamically compiled from active JSON template layouts.
- **Supervisor Inbox:** Renders a multi-filtered list allowing command staff to review, respond, and update submission statuses.

## 6. Supervisor Dashboard & Scoped Personnel Roster

Supervisors are restricted to managing only personnel and submissions from their designated department.

- **Scoped Analytics:** Specialized dashboard with counts of active employees and leave counts scoped to the supervisor's division.
- **Roster Management:** Manage department personnel, generate temporary login access codes, and access profile editing shortcuts.

# 7. Qualifications Builder & Roster Editor

Assign qualifications, edit credentials, adjust ribbon racks, and update employee rosters.

- **Qualifications Builder:** Define and configure qualifications lists with custom badge emblems, description text, and names.
- **Profile Editor:** Direct profile editor with image crop tools, Steam Hex/Discord clearances settings, and direct quals/awards deletions.

## 8. Global Settings Panel & Site Branding Manager

Site administrators can customize the entire PTS platform from a central system preferences menu.

- **Global Branding:** Manage site title, slogans, logo URLs, and custom header branding.
- **System Preferences:** Configure system-wide log types, active form types, and templates from a simple text-area layout.

The screenshot displays the 'Site Manager Settings' page for the San Andreas Department of Public Safety. The page is divided into several sections:

- Header:** 'San Andreas Department of Public Safety' logo and navigation links: 'Welcome, admin', 'Dashboard', 'Submit Form', 'Careers', 'Supervisor Panel', 'Site Settings', and 'Logout'.
- Section Header:** 'Site Manager Settings' with a gear icon and a '← Dashboard' button.
- Access Note:** 'Only site managers can access this area'.
- GENERAL SETTINGS:** A list of configuration options:
  - Site / Browser Tab Title: 'PTS Database'
  - Brand Name (shown in header): 'San Andreas Department of Public Safety'
  - Dashboard Subtitle: '\*\*\*AUTHORIZED PERSONNEL ONLY\*\*\*'
  - Header Logo URL (top nav bar): 'https://... or /uploads/logo.png'
  - Hero Logo URL (large logo above search): 'Leave blank to use brand name text'
- Site Manager Privileges:** A list of permissions with checkmarks:
  - ✓ **Customize branding**: Change site name, logo, and subtitle
  - ✓ **Configure log & form types**: Control what options appear in dropdowns
  - ✓ **Protected account**: Site manager accounts cannot be deleted or demoted by admins
  - ✓ **Full admin access**: All supervisor and admin capabilities included
- Role Hierarchy:** A vertical list of roles:
  - 4 **Site Manager**: Full access + site configuration
  - 3 **Admin**: Full personnel & user management
  - 2 **Supervisor**: Edit employees, manage ranks
